Detectives Elise and Karl take on a toxic and terrifying duo whose defining quality is an existential death wish. When the question posed by the couple—what is a life worth?—is directed at Karl, he's forced to confront an utterly impossible choice. This 6-part series reunites Stephen Dillane as Karl Roebuck with Clémence Poésy as Elise Wassermann for the last outing of this beloved and unlikely Anglo-French partnership.

**Why Do Our Partners Give During Our Pledge Drives?**

Here is what they tell us..

- To support quality programming...
- To sustain local public media (or because we are they only station they watch!)
- To receive our monthly FanFare program guide in the mail...
- For the thank-you gifts...

And some give because a special program they've seen brings back treasured memories. Our Partner Susan Morgan was inspired to make a memorial gift:

*In loving memory of Gladys Brown Wildern, a fierce competitor; a whiz of a grandma, a terrible singer; and a devoted groupie in the first-ever Southfield Ladies Auxiliary chapter of the Carol Burnett Show Fan Club. Miss you still. "I'm so glad we had this time together."*
